

Smart, affordable loans for home related needs.

Explore
some of the
ways:

Buying a house
(or paying a
deposit)

Renovating or
extending their
existing home

Installing alternative
energy and water
solutions

Buying land to
build a home
(urban/rural)

Covering bond
registration and
transfer costs

Paying off an existing
home loan on their
primary residence

Did you know?

With a pension-backed home loan, you can use a portion of your retirement savings as security to access a home loan without withdrawing from your fund or compromising your long-term financial goals.

This facility is offered through Momentum Lending, a registered credit provider, that ensures that retirement fund members access responsible and **affordable access to loans for home related needs.**

**Take the
smart step.
Improve your
home with
confidence.**
